Seminar Facilitators

Rachel Leonard gets out of bed in the morning thinking about people!

"It's all about investment. All businesses maximize profits when they maximize investment in people. Great people grow their potential when they grow their investment in themselves."

Rachel is an expert in Human Resources with a strong corporate background. She has a proven and consistent ability to bring out the very best in others.

Paul Butler is passionate about people and finance!

"These seminars offer solutions to the problems local small businesses face today: the need to stand out from the crowd, improve customer service, and enhance financial intelligence."

An international CPA, Paul has extensive corporate experience including senior posts with Pricewaterhouse, McKinsey, and Hilton Hotels – both in the U.S. and the U.K.

Sally Taylor believes that anyone can learn to do anything – and she wants to help!

"We're not born knowing about money. Like everything we do, we have to learn about it. Invest in yourself and start opening doors to new opportunities, both personally and professionally."

Sally is an international financial literacy speaker and trainer. She owns two publishing companies (Silly Goose Productions and Night Owl Publishers) and is the award-winning author of *On My Own™* and *Money Talks*.

GET AHEAD! LEARN NEW BUSINESS SKILLS!

Presented locally by Newleaf Training & Development in partnership with Sally Taylor/Silly Goose Productions.
